

ALUMNI HOUSE

Residence Welcome Letter

A Letter From Your Residence Manager

Hello Alumni House residents! My name is Scott Buttenham and I'm your Residence Manager at Alumni House for the 2017-2018 academic year. I also manage Elgin Hall across the street so you will often see me hopping between the two buildings to divide my time. I am looking forward to working with your Community Leaders to create a supportive and engaging environment for you to live in as you progress through your academic careers. Alumni House is only in its third year as an upper year residence building so I am definitely excited to assist you, the CL's and your Residents' Council in creating many traditions for your upper year experience in residence.

I am a graduate of Western, where I studied under the Faculty of Information & Media Studies. I was a Residence Staff member in my undergrad and was the Residence Manager for Elgin Hall and Alumni House last year as well.

My office is located in the front lobby of Elgin Hall, so feel free to stop by at any time during the year, should you have question, concerns or just want to chat.

Sincerely,

Scott Buttenham

Hey future residents! My name is Karina Rego and I am thrilled to be your Vice President of Programming for the upcoming school year! Basically that's just a fancy way of saying that I'm responsible for running all of the events you will attend at Alumni throughout the year. These events are a great opportunity to meet other residents and interact with council members. And who doesn't love FREE food? You can contact me at krego2@uwo.ca if you have any questions or would just like to introduce yourself. See you in the fall!

Hey Alumni residents! My name is Adam Haji and I am your Alumni House Residence Council Vice President of Finance for the upcoming school year. I will be in charge of the council's budget and the tracking and execution of payments for all the events that we are hosting for you, the residents! Looking forward to meeting you all at our events and around the building this fall!

We are committed to hearing your voices on an ongoing basis. Once we obtain our academic schedules for the term, we will circulate a weekly time where you, the residents of Alumni House, can interact with us directly. Looking forward to a wonderful year ahead!
